

Housing Income Limits (HILs)

Housing Income Limits (HILs)¹ represent the maximum gross household income for eligibility in many affordable housing programs and ensure eligibility for housing assistance is targeted to those with the most financial need within their community.

Non-Market Areas	\$68,000	\$81,500	\$92,000	\$99,500

Census Metropolitan Areas (CMAs) - Abbotsford Metropolitan Area, Chilliwack, Kelowna, Kamloops, Nanaimo, Vancouver and Victoria - communities with a population of at least 100,000 of which 50,000 + live in the core.

Other Urban Areas include communities with a population of at least 2,500 using 2021 Census of Population data, and Census Agglomerations which have a population of at least 10,000.

Non-Market Areas includes remote/rural communities that have a population under 2,500 using 2021 Census of Population. On-reserve projects may also use Non-Market Area HILs to determine eligibility and rents.

¹ Previously called the Core Need Income Thresholds (CNITs).

² Squamish and Kitimat will remain listed as distinct communities in the HILs, even though they are not CMAs. They will be integrated into the Other Urban Area HILs once: (1) the Lower Mainland Other Urban Area HILs exceed Squamish's 2023 HILs, and (2) the Northern Other Urban Area HILs exceed Kitimat's 2023 HILs.

Municipalities and their HILs Area

The table below lists 161 BC municipalities and a cross reference to the Housing Income Limits (HILs) area that will apply.
